

演講者簡歷 Speaker's curriculum vitae

姓名 Name	Jorge Portilla	
現職 Current position	Assistant Professor Tenured, Ph.D. 馬德里理工大學助理教授	
專長領域 Field of Specialization	<ul style="list-style-type: none">• Internet of Things and Wireless Sensor Networks• FPGA-based reconfigurable embedded systems	
演講題目 Speech Topic(s)	Industria Conectada 4.0 and Internet of Things 產業連網 4.0 與物聯網	
主要經歷 Working Experience	<ul style="list-style-type: none">• Visiting researcher with the Industrial Technology Research Institute (ITRI), Hsinchu Taiwan , in 2008.• Visiting researcher with National Taipei University of Technology (Taipei Tech), Taipei, Taiwan, in 2018, working on Wireless Sensor Networks hardware platforms and network clustering techniques.	
近期研究 Recent Research	<ul style="list-style-type: none">• Security for edge IoT devices• Big sensor deployments for urban environments
